Please e-mail Jennifer at jennifer.inman@hca.wa.gov if you were not able to access the webinar, so she can follow up on what caused the break and also know that you attended the call. Outlook updates for future meetings through December with the new number will be sent next week.

End of Quarter Updates

Everyone did a good job meeting the deadline for online training this quarter; thank you! The deadline for submitting in-person training rosters for new participants is June 28, 2016.

Other Items

The Steering Committee is tracking invoice submission, A19 generation, and quarterly payments to monitor invoice processes to get a better sense of how the new system is working. NOTE: If you have any questions, or you attended this call and you are not listed, please contact Jennifer Inman at Jennifer.inman@hca.wa.gov. The agenda, handouts, and minutes are available on HCA's website at www.hca.wa.gov/medicaid/mac.
