EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: Effective January 1, 2017, the Health Care Authority's TAKE CHARGE Program will end. To comply with the orderly closeout of the program, the Centers for Medicare & Medicaid Services (CMS) granted an extension through December 31, 2016. This emergency rule is necessary to assure that newly enrolled clients in the TAKE CHARGE program understand that coverage under this program is only for the duration of the program.
