RE: Washington State Plan Amendment (SPA) Transmittal Number 17-0025

Dear Ms. Lindeblad:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of State Plan Amendment (SPA), Transmittal Number 17-0025. This SPA expands telemedicine services to include “store and forward” telecommunication-based services, which is the asynchronous transmission of medical information to be reviewed by the provider at a later time at the distant site.

This SPA is approved effective July 1, 2017. Enclosed is a copy of the CMS-179 summary form, as well as the approved pages for incorporation into the Washington State Plan.

If there are any questions concerning this approval, please contact me or your staff may contact Kendra Sippel-Theodore at kendra.sippel-theodore@cms.hhs.gov or at (206) 615-2065.

Sincerely,

David L. Meacham
Associate Regional Administrator
