SUBJECT: Amendment 1, RFA 15-021 – Multi-Payer Data Aggregation Solution Clarification.

The purpose of Amendment one (1) to RFA 15-021 – Multi-Payer Data Aggregation Solution is to add clarification regarding the release of this Request for Applications (RFA).

On Monday, September 15, 2015 the Health Care Authority's (HCA) Healthier Washington Initiative released an RFA for a Lead Organization to convene payers around a Multi-Payer Data Aggregation Solution. This RFA is to implement the Greater Washington Multi-Payer payment redesign strategy, also known as Model Test 4, as described in the Healthier Washington Grant.

This RFA is not a procurement for any IT projects under the Healthier Washington Analytics, Interoperability and Measurement (AIM) strategy or the All Payer Claims Database (APCD).

For more information on Model Test 4, including a two (2) pager, please go to the Healthier Washington Payment Redesign [web page](#).
