

## Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2022)

Your health plan enrollment is for an entire year (January 1 through December 31), unless you make changes during a special open enrollment (SOE) or are no longer eligible under Public Employees Benefits Board (PEBB) rules.

An SOE is created by a specific life event. This addendum summarizes SOE events from Washington Administrative Codes (WACs) 182-08-198, 182-08-199, 182-12-128, and 182-12-262.

A special open enrollment event must be an event other than an employee gaining initial eligibility for PEBB benefits or regaining eligibility for PEBB benefits.

An employee may waive enrollment in PEBB medical only if they are enrolled in other employer-based group medical, a TRICARE plan, or Medicare. These enrollments may correspond with specific special open enrollment events 1-20 on the following pages.

An employee may waive their enrollment in PEBB medical to enroll in school employees benefits board (SEBB) medical only if they are enrolled in SEBB dental and SEBB vision. An employee who waives enrollment in PEBB medical to enroll in SEBB medical also waives enrollment in PEBB dental.

When enrolling a newly eligible state registered domestic partner, children of the state registered domestic partner, a newly eligible extended dependent, or other non-qualified tax dependent, the subscriber must complete a PEBB Declaration of Tax Status form and submit it with their PEBB enrollment form.

To use the SOE Matrix, simply find the desired change in enrollment (top blue row) and the event (green column) that occurred or will occur. Find where the row and column meet on the matrix to determine if the desired change is allowed, and conditions that may apply.

In *Example 1* below, a "Change health plan election" (blue) is allowed based on the SOE event of "Birth or Adoption" (green). If the box indicates "SOE Not Allowed," then no change is allowed.

### Example 1

This may result in different dates for dependent enrollment and plan change.</p>

## Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2022)

This matrix only summarizes special open enrollment events in chapters 182-08 and 182-12 WAC and the corresponding actions that are allowed. It does not describe other circumstances such as initial eligibility, open enrollment, termination for loss of eligibility, or National Medical Support Notices. Notification of the SOE event **must be received no later than sixty (60) days after the event occurs**, except for birth/adoption SOE event #3 and Medicare enrollment SOE event #14.

▶ Provides example(s) of Internal Revenue Service (IRS) "consistency rule;" the election change must be allowable under Internal Revenue Code and Treasury regulations, and correspond to and be consistent with the event that creates the SOE.
