HB 1477 Committee Review Process
- **March-August 2022:** Technology Subcommittee monthly meetings (Tech/Op Plan updates and input)
- **September 12:** Technology Subcommittee comments on the Tech/Op Plan. HCA and DOH are incorporating feedback, as appropriate.
- **September 15-23:** CRIS committee opportunity to provide additional comments. CRIS comments will be shared with the Steering Committee to inform their review and approval.
- **October 25:** Steering Committee review and approval
- **October 31, 2022:** Final Technical and Operational Plan submitted.

Steering Committee of the CRIS

Washington State Department of Health

Washington State Health Care Authority

Technical and Operational Plan

- The Technical and Operational Plan was informed and shaped by:
  - CRIS Subcommittees (e.g., Technology, Cross-System Collaboration, Confidential Information; Lived Experience, Credentialing and Training, Rural and Agricultural Communities, Tribal 988 Subcommittee and Tribal Centric BH Advisory Board)

- Tribal input (including Tribal Roundtables and Consultation) significantly shaped the Plan (e.g., key considerations regarding tribal crisis services, data sovereignty principles)

- Other Information gathering activities (e.g., providers, States, NSPLs, RCLs, vendors, State 911 Coordinator)

Washington State Department of Health

Washington State Health Care Authority

Major Comments Received

- Call Routing & Call Routing Technology
- Data Access clarifications
- Estimated Funding requests seem high
- Clarify the phasing in the Vision Statement
- Update go-live date for Native and Strong Lifeline
- Comment on RFIs/RFPs (sample template)
- Obtain initial IV&V Review
- Strong Project Management essential for project success
