

# Update my income or address (report a change)

Learn how to report changes for Apple Health (Medicaid) coverage for Modified Adjusted Gross Income (MAGI) or Classic Medicaid.

## When do I report a change?

Individuals enrolled in Apple Health (Medicaid) coverage should report changes within 30 days.

## What types of changes do I need to report?

During the COVID-19 public health emergency (PHE) the Health Care Authority (HCA) extended coverage for all Apple Health (Medicaid) clients. This extension is now ending due to the Consolidated Appropriation Act, 2023. **The best way Apple Health clients can stay informed is by keeping their contact information up to date.** This ensures they don't miss important notices about their coverage, including their renewal notice.
