Purpose:

This policy applies when a School Employees Benefits Board (SEBB) Organization is determining the first day of school for the upcoming school year.

Policy:

1. Each SEBB Organization may have only one first day of school. The day determined to be the first day of school must be the same for all school employees within that SEBB Organization.
2. All SEBB Organizations must provide the first day of school to the SEBB program no later than August 1st of each year.
