Purpose:

This policy clarifies what particular documents are required from a School Employees Benefits Board (SEBB) Organization or third-party administrator when the SEBB Program is conducting a brief adjudicative proceeding at the request of one of its school employees or subscribers.

Policy:

1. When the SEBB Appeals Unit receives a request for a brief adjudicative proceeding from a school employee of a SEBB Organization or subscriber of a third-party administrator, the SEBB Appeals Unit has 10 business days from receiving the notice of appeal to gather the needed information and to make a decision. This 10 business day timeline requires good information upfront so a quality decision can be made.
2. Once a request for a brief adjudicative proceeding is received by the SEBB Appeals Unit from a school employee, it is analyzed for completeness. Often, important information is missing that is needed by the SEBB Appeals Unit to make an informed decision. When this happens the SEBB Appeals Unit contacts the SEBB Organization or third-party administrator and requests the missing information. It is important that the information is provided by the SEBB Organization or third-party administrator no later than two business days after the request so the appeal can be heard in a timely manner.

3. Many requests for brief adjudicative proceedings require the same type of information. Table 60-1 below contains some of the more common brief adjudicative proceedings that are conducted by the SEBB Appeals Unit and the type of information or documents that should be automatically sent by the SEBB Organization or third-party administrator. While this is not a complete list for every circumstance, and the SEBB Appeals Unit may require additional documentation that must be provided under the timelines established in section 2, it does contain the most commonly needed information and documents.
