Purpose:

This policy clarifies which documents the Public Employees Benefits Board (PEBB) Program considers valid for dependent verification and identifies which accounts are included in the dependent verification process. Although some subscriber accounts are not included in the process, the PEBB Program reserves the right to review a dependent's eligibility at any time.

Policy:

1. The PEBB Program requires subscribers to provide documentation that verifies a person's relationship to the subscriber before enrolling the person as a dependent under the subscriber's PEBB health plan coverage, except as indicated in sections 2, 3, and 4 of this policy.

2. The following subscriber accounts are excluded from the dependent verification process except when the subscriber is requesting enrollment of a partner where eligibility is established through a state registered domestic partnership or a legal union:
 - a. PEBB Continuation Coverage (COBRA) subscriber accounts;
 - b. PEBB Continuation Coverage (Unpaid Leave) subscriber accounts; and
 - c. Medicare (Part A and Part B) Retiree subscriber accounts.
3. Extended dependent children are certified through the process described in WAC 182-12-260, WAC 182-12-262, and PEBB Program Administrative Policy 37-1 for PEBB eligibility.
4. If the subscriber is moving from School Employees Benefits Board (SEBB) Program coverage to PEBB Program coverage and requesting to enroll eligible dependents who have been previously verified under the SEBB Program, dependent verification documents will not be required. The PEBB Program will use the dependent verification data previously verified by the SEBB Program for dependent verification.
5. Table 31-1 shows a list of valid dependent verification documents.
