Criteria for Request

The person is expected to be ready for discharge from inpatient services within the next thirty days and being at a community facility would facilitate continuity of care, consistent with the person's individual treatment needs.

The person can receive appropriate mental health treatment in a residential treatment facility (RTF), as defined in WAC 182-300-0100. The RTF is a certified E&T:

Yes

No - If the RTF is not an E&T, the SBC requires an attachment documenting how the RTF will meet the person's evaluation and treatment needs per WAC & RCW

The person can receive appropriate mental health treatment at a:

Hospital with a psychiatric unit

Hospital that can provide timely and appropriate mental health treatment

Psychiatric hospital

The person requires MEDICAL services that are not generally available at a facility certified under WAC 388-865-0526.

The person is awaiting transportation to an identified bed at a certified E&T and the Emergency Room is willing and able to provide mental health treatment in the interim.

Describe why person meets Criteria for Request (include medical services required):
