

EXECUTIVE SUMMARY

Washington State's Foundational Community Supports Programs SUPPORTIVE HOUSING

February 1, 2023

FCS ENROLLMENT

As of November 2022, 76% of all Foundational Community Supports (FCS) participants were enrolled to receive Supportive Housing (SH) services only or both SH and Supported Employment (SE) services.

Participants enrolled to receive SH services were a smaller share of FCS enrollees through the first two years of the program (in part due to the lag in available SH providers).

ENROLLMENT LENGTH

FCS enrollees are authorized to receive services for a six-month period. Services may be reauthorized if a participant continues to need services. We observe at least one reauthorization for 58% of current SH enrollees.

MH/SUD

Penetration Rate

While the FCS program does not provide Mental Health (MH) or Substance Use Disorder (SUD) services, Supportive Housing FCS Enrollees have a higher use of MH and SUD services than the general Medicaid population.

COVID-19 IMPACT

Due to COVID-19 related challenges, the number of participants newly enrolling to receive Supportive Housing services decreased slightly during the first half of 2020, after having peaked in January 2020. The Health Care Authority has strongly encouraged shifting from in-person services to virtual telehealth services by providers, including assessments, which was allowed under the waiver prior to the pandemic.

Washington State's Foundational Community Supports Program

SUPPORTIVE HOUSING

February 1, 2023

This report provides a month-by-month look at Medicaid clients enrolled in the Foundational Community Supports (FCS) Supportive Housing program, which began (along with the FCS Supported Employment program) in January 2018.

Note: This report describes the enrolled population for a given month and is not intended to be used for evaluation purposes.

ELIGIBILITY NOTES

Eligibility for Supportive Housing. Medicaid clients age 18 years or older who: 1) have a mental health or substance use treatment need, 2) are receiving long-term services, or 3) have a complex physical health need and/or physical impairment AND meet one of the following criteria at the time of referral:

- Chronically homeless, as defined by the U.S. Housing and Urban Development.
- Had more than one contact with, or a stay longer than 90 days in, a correctional facility, inpatient treatment setting, hospital, skilled nursing facility, or other institutional setting in the past 12 months.
- Have a history of frequent or lengthy adult residential care facility stays.
- Had three or more different in-home caregiver providers in the last 12 months.
- Have a PRISM Risk Score of 1.5 or above.

SUPPORTIVE HOUSING - ENROLLMENT CHURN

NOTES

Supportive Housing Enrollment Notes.

- Enrollees are authorized for the program in six month segments. If more time or services are needed, FCS providers may submit an Exception to Rule (ETR) for additional time or services.
- Enrollment in the month does not necessarily indicate that any services were received by the enrollee in that month.

REFERENCES

- **HUD Chronic Homelessness Criteria.** Criteria can be met in two ways. For the **Lengthy criteria** an enrollee is determined to be experiencing 12 continuous months of homelessness within the past year. For the **Frequent criteria** an enrollee is determined to have experienced 4 episodes of homelessness over the past 3 years, which equal 12+ total months spent homeless. The Lengthy and Frequent criteria are not mutually exclusive. Note that the results are a proxy for the HUD criteria based on ACES data, and not Homeless Management Information System (HMIS).
