

# 2024 SEBB Dental Benefits At-A-Glance

Use the following charts to see what you pay for dental services. Before you select a dental plan or provider, compare the plans to find out what services are covered, which providers are in-network, and your costs for care. For information on specific benefits and exclusions, refer to the plan's benefits booklet (also called evidence of coverage or certificate of coverage) or contact the plan directly. If anything in these charts conflicts with the plan's benefits book, let the benefits book take precedence and prevail.

DeltaCare and Willamette Dental Group (underwritten by Willamette Dental of Washington, Inc.) are managed-care plans. You must select and receive care from a primary care dental provider in that plan's network.

Uniform Dental Plan is a preferred-provider organization (PPO) plan. You can choose any dental provider and change providers at any time. You must meet the deductible before the plan pays for most services under this plan. The deductible does not apply to orthodontia, preventive care, and services for children under age 15.

All dental plans include a nonduplication of benefits clause, which applies when you have dental coverage under more than one account.

What you pay ↴	Managed Care Plans		Preferred Provider Organization (PPO)	
	DeltaCare (Group 09601)	Willamette Dental Group (Group WA733)	Uniform Dental Plan (Group 09600 Delta Dental PPO)
