Are you, or your children, currently enrolled in Washington Apple Health (Medicaid) coverage? Here's what you need to know before the SEBB Program's annual open enrollment.

## Can employees be enrolled in Apple Health (Medicaid) coverage?

Yes, you can enroll in both SEBB and Apple Health coverage. If you are eligible for Apple Health coverage you may also be eligible to receive reimbursement of your SEBB medical premium through the Premium Payment Program. ## Can employees enroll children in SEBB Program coverage if they lose eligibility for Apple Health coverage?

Enroll online within 60 days of the end of Apple Health coverage through SEBB My Account, or complete a *School Employee Change Form*, available from your payroll or benefits office. You must also submit a copy of the termination letter to your payroll or benefits office. To avoid a gap in coverage, do this before your Apple Health coverage ends.
