**Agency:** Health Care Authority

**Subject of possible rule making:** Rules to be added under a new chapter, 182-565 WAC, related to the Health-Related Social Needs program; other related rules as appropriate.

**Statutes authorizing the agency to adopt rules on this subject:** RCW 41.05.021, RCW 41.05.160

**Reasons why rules on this subject may be needed and what they might accomplish:** The agency is developing rules to implement housing transition navigation services provided through the Washington State Health-Related Social Needs (HSRN) services program. Under the Washington State Section 1115 Medicaid Demonstration waiver, the HSRN services program allows qualifying Medicaid enrollees to receive evidence-based, non-medical services to address unmet, adverse social conditions that contribute to poor health. The housing transition navigation services program provides short-term assistance to remove barriers in order to obtain or maintain affordable housing. During this review, HCA may identify additional related changes that improve clarity or update policy.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:** Centers for Medicare & Medicaid Services

**Process for developing new rule (check all that apply):**

- Negotiated rule making
- Pilot rule making
- Agency study
