English

If you previously applied for Washington Apple Health and were denied due to your immigration status, you may be eligible for Apple Health Expansion starting July 1, 2024. Apple Health Expansion provides coverage for adults age 19 and older with certain immigration statuses, including people who are undocumented.

Applications open at 8 a.m. on June 20. Mark your calendars! This new program has limited enrollment and is expected to fill quickly. See if you are eligible and learn how to apply online at
