Fax the form and supporting documentation to the agency at: (866) 668-1214.

### **Physician office billers**

Submit a request for authorization using the agency's *General Information for Authorization (13-835)* form as the cover sheet. This form must be **typed**. The *Request for Synagis (13-771)* or *Request for Additional MGs of Synagis (13-770)* form should be attached as supporting documentation behind the *General Information for Authorization (13-835)* form. Fax the form and supporting documentation to the agency at: (866) 668-1214.

For Synagis forms (13-771 and 13-770), the Pharmacy Information Authorization (13-835A) and the General Information for Authorization (13-835) go to: <http://www.hca.wa.gov/billers-providers/forms-and-publications>

### **What are Pharmacy PA Supporting Documents cover sheets?**

Cover sheets are used when submitting the supporting documentation for the PA request that is being held for additional information.

- They help the Health Care Authority quickly match your response to requests submitted by pharmacies for the authorization of specific medications.
- They are needed when you fax your response to a request for more information or submit other back-up documentation to support the medical necessity of an authorization request.
