

Friday, March 7, 2025

8 a.m. - 5 p.m.

Valley Medical Center
Renton, Washington

Primary care providers, neurologists, geriatricians, and respective teams are invited to the first ever:

Dementia Innovation Summit

Primary Care at the Forefront

Primary care providers play a crucial role in early diagnosis, management and support of individuals living with dementia. Join us for a day of insightful discussion, develop new skills, connect with like-minded professionals, and **earn** 6.25 CMEs.

Register Now! Space is limited.

Only \$99, through December 20 with code: 2025DISEARLY

\$149 starting December 21
