

Center of Excellence Applied Behavior Analysis | Apple Health Fee for Service Providers

An Applied Behavior Analysis Center of Excellence (COE) is an individual, evaluating and prescribing provider per [WAC 182-531A-0800](#). To be eligible for ABA services in Apple Health (Medicaid), clients must have a qualifying diagnosis of Autism or other individual/developmental disability and an order for ABA services from a COE provider. The following professions are considered COE providers:

- A developmental pediatrician
- A neurologist or pediatric neurologist
- A psychiatrist or pediatric psychiatrist
- A psychologist
- OR a nurse practitioner, physician, physician assistant or naturopathic physician that has been designated by the Health Care Authority as a COE provider and listed below

All qualified providers may not be included on the COE list below. Check with your primary care providers about a referral for these professions.

Enrollees with a managed care plan, please contact the plan for assistance with finding a Center of Excellence (COE) provider and/or Applied Behavior Analysis (ABA) provider in network.
