

# Apple Health Foster Care and Adoption Support

Apple Health (Medicaid) Foster Care and Adoption Support services are available through Coordinated Care of Washington's Apple Health Core Connections program.

## Covered services

- Preventive care, wellness services, and chronic disease management
- Medical care in an emergency
- Pediatric services, including dental and vision care
- Laboratory services
- Prescription drugs
- Hospitalization
- Ambulatory patient services
- Rehabilitative and habilitative services
- Behavioral health services
- Maternity and newborn care

## Apple Health Core Connections

This plan provides physical and behavioral health (mental health and substance use disorder treatment) services through one health plan.

Coordination services include:

- General Services and emergency care
- Pharmacy or prescriptions
- Health care services for children
- Behavioral health
- Nutrition
- Health Home program
- Specialty services

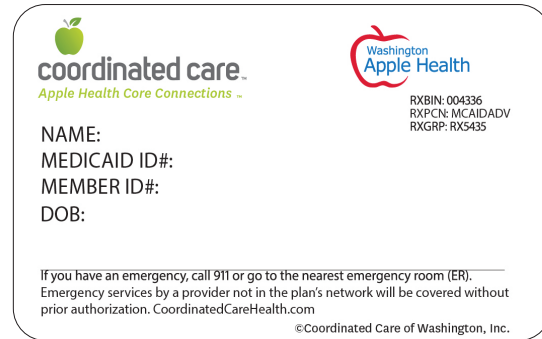

## Services cards

You will receive two cards in the mail when you're enrolled in Apple Health. Take both your ProviderOne services and health plan cards when you go to a doctor, pharmacy, or other health care provider. You may also need a photo ID.
