

Behavioral Health Advocates

A behavioral health advocate is a person who is available to provide free and confidential assistance resolving concerns related to your behavioral health services. They can help if you have a behavioral health grievance, appeal, or administrative hearing to resolve your concerns. Behavioral health advocates are independent of your health plan or Behavioral Health Administrative Services Organization (BH-ASO).

Reach all regions at 1-800-366-3103. Or email the Office of Behavioral Health Advocacy at info@obhadvocacy.org
