

## What's new at UMP (SEBB) for 2025

For details about these changes, visit the UMP website at [ump.regence.com/sebb/benefits/oe-2025](https://ump.regence.com/sebb/benefits/oe-2025) or read your UMP open enrollment newsletter. For questions about changes to medical benefits, contact UMP Customer Service at 1-800-628-3481 (TRS: 711). For questions about changes to prescription drug benefits, contact ArrayRx (currently known as Washington State Rx Services) at 1-888-361-1611 (TRS: 711).

### General changes

#### Washington State Rx Services (WSRxS) has changed its name to ArrayRx

Your prescription drug benefits are not changing, but you will see ArrayRx referenced instead of Washington State Rx Services on benefit documents and on your new member ID card.

#### UMP Notice of Privacy Practices updated

The UMP Notice of Privacy Practices is being updated and will be effective November 1, 2024. To find the notice, visit the UMP Notice of Privacy Practices webpage at [hca.wa.gov/ump-privacy](https://hca.wa.gov/ump-privacy).

### Changes to existing medical and prescription drug benefits

To learn more about these benefits, check your plan's 2025 certificate of coverage by visiting forms and publications at [hca.wa.gov/ump-sebb-coc](https://hca.wa.gov/ump-sebb-coc). All changes are effective January 1, 2025, unless otherwise noted.

#### The UMP High Deductible Health Plan deductible is increasing

The deductible for UMP High Deductible members is increasing to \$1,650 for a single subscriber and \$3,300 for a family. This is an increase from \$1,600 for a single subscriber and \$3,200 for a family. This deductible increase is required to maintain compliance with IRS rules, so that a subscriber can make eligible health savings account (HSA) contributions in 2025. UMP High Deductible members will be receiving a new ID card for 2025 with the updated deductible amounts.

#### Changes to cost shares for supplemental and diagnostic breast exams

Starting January 1, 2025, you will pay \$0 for medically necessary diagnostic and supplemental breast exams. These services are subject to the deductible under the UMP High Deductible plan.

#### See changes to the UMP Preferred Drug List

Starting in November, you can view a list of anticipated changes to the UMP Preferred Drug List. Visit [ump.regence.com/sebb/benefits/prescriptions](https://ump.regence.com/sebb/benefits/prescriptions), select "Find Forms" at the top of the page, then click "Visit HCA's website to access UMP's forms & publications database." Type "preferred drug list changes" into the search box and click the "Search" button. The list is updated monthly and is subject to change. It does not contain every anticipated change to the UMP Preferred Drug List. It only contains changes that may negatively impact members, such as increasing a drug's cost or limiting the amount of drug available per refill.
