Dear Ms. Birch and Ms. Lindeblad:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of the enclosed State Plan Amendment (SPA), Transmittal Number WA-20-0029. This SPA clarifies that pharmacists are able to provide and bill for services according to their scope of practice by adding them to the list of "Other Licensed Practitioners" in the Medicaid State Plan. This is not a change in policy or practice; it is for clarification purposes only.

This SPA is approved effective November 1, 2020. Enclosed is a copy of the CMS-179 summary form, as well as the approved pages for incorporation into the Washington State Plan.

If you have any questions, please contact Nikki Lemmon at 303-844-2641 or via email at nicole.lemmon@cms.hhs.gov.

Sincerely,
