WISe Update Tina Burrell and Patty King	<p style="text-align: center;">Topic Purpose – share highlights of WISe from 2016</p> Presentation highlighting Wraparound with Intensive Services (WISe) Outcomes from the November 2016 Implementation Status Report. Outcomes for 2016 show positive changes for youth in treatment for 6 months with improvements in both behavioral and emotional needs. Also reflected in outcomes for 2016 is the developing of strengths while enrolled in WISe including resilience, school performance, optimism, family relationships and recreation/activities. Click on WISe Outcomes in 2016 , for more highlights from 2016 or click on Implementation Status Report 11/15/16 , to view the full report.	For questions, please email tina.burrell@dshs.wa.gov	n/a	n/a
Report Out from the Regions Travis Rybarski and Michelle Karnath	<p style="text-align: center;">Topic Purpose – updates from the regions regarding the below questions, identify items for dialogue</p> Information was shared regarding the questions below: Does your Regional (or Local) FYSPRT actively engage in conversations about how WISe is working in your area? <ol style="list-style-type: none"> a. If no, what are the barriers? b. If yes, how is WISe data driving decisions at the Regional (or Local) level? Most regions indicated dialogue about WISe implementation happening at the Regional level including updates being shared, regular report out from WISe teams, WISe representatives attending the meeting and/or bringing data, having teams that analyze data and review data regularly or having youth and families receiving WISe services attending the Regional meeting. Some regions still working to identify how to obtain information from the whole region and how to strengthen the intersection between WISe and FYSPRT. Data is affecting decision making in some regions.	Kristen Royal will email the WISe Dashboard along with a link to the Healthy Youth Survey website. Regions and system partners can access information on the WISe Dashboard and that Healthy Youth Survey website to gather and review data relevant to their regions. Kristen will send additional information from the Youth and Family Survey, titled “2016 Wraparound with	Kristen Royal Regions and system partners	3/17/17 anytime

Statewide FYSPRT Goals

1. Improving quality of life for youth and families by reviewing statewide performance and making recommendations through collaborative engagement of youth, families and system partners.

2. To support system improvements by enhancing strengths and eliciting challenges and barriers from the Regional FYSPRTs and state partners and develop collective recommendations to share with Statewide FYSPRT members, Regional FYSPRTs and/or Children’s Behavioral Health Executive Leadership Team that include youth, family and system partner voice.
