

# our specialty is you

Partner with Ardon Health for high-quality specialty pharmacy services every time

## At Ardon, our practice is specialty pharmacy

Ardon Health is here to help patients on their health journey — and to assist you throughout the process.

## Not sure which specialty pharmacy your patient can use?

No problem. When you send us a prescription, we'll investigate your patient's benefits. If the patient can't use Ardon Health, we'll send the prescription to the appropriate pharmacy.

# Our Hepatitis C Program

## How we help your patients

### Comprehensive patient assessment

- We assess each treatment against patient-specific factors, including genotype, cirrhosis and medical history.
- We carefully screen for drug interactions before and throughout treatment.

### Therapy education

Prior to treatment, we counsel on the following:

- Directions for use and treatment duration
- Proper administration
- Appropriate medication storage
- Adherence and viral resistance prevention
- Missed dose prevention and handling
- Lab monitoring and SVR12
- Side effect prevention and handling
- Hepatitis A and B vaccination

### Financial and copay assistance

- We help every patient with enrollment in financial and copay assistance programs.
- By easing the financial burden of specialty medications, we make it easier for patients to follow their treatment plan.

### Care coordination

- With each refill, we screen for changes in health and medication use.
- Our pharmacists communicate with providers to coordinate any care needs along the way.

***We do all this so patients can focus on enjoying their lives.***
