WSP ROLE WITH HB 2951

- Requires WSP to conduct a study on increasing state resources for reporting and identifying missing Native American women in the state.
- WSP and GOIA will convene meetings to consult and collaborate with:
 - Tribal and local law enforcement
 - Federally recognized tribes
 - Urban Indian organizations

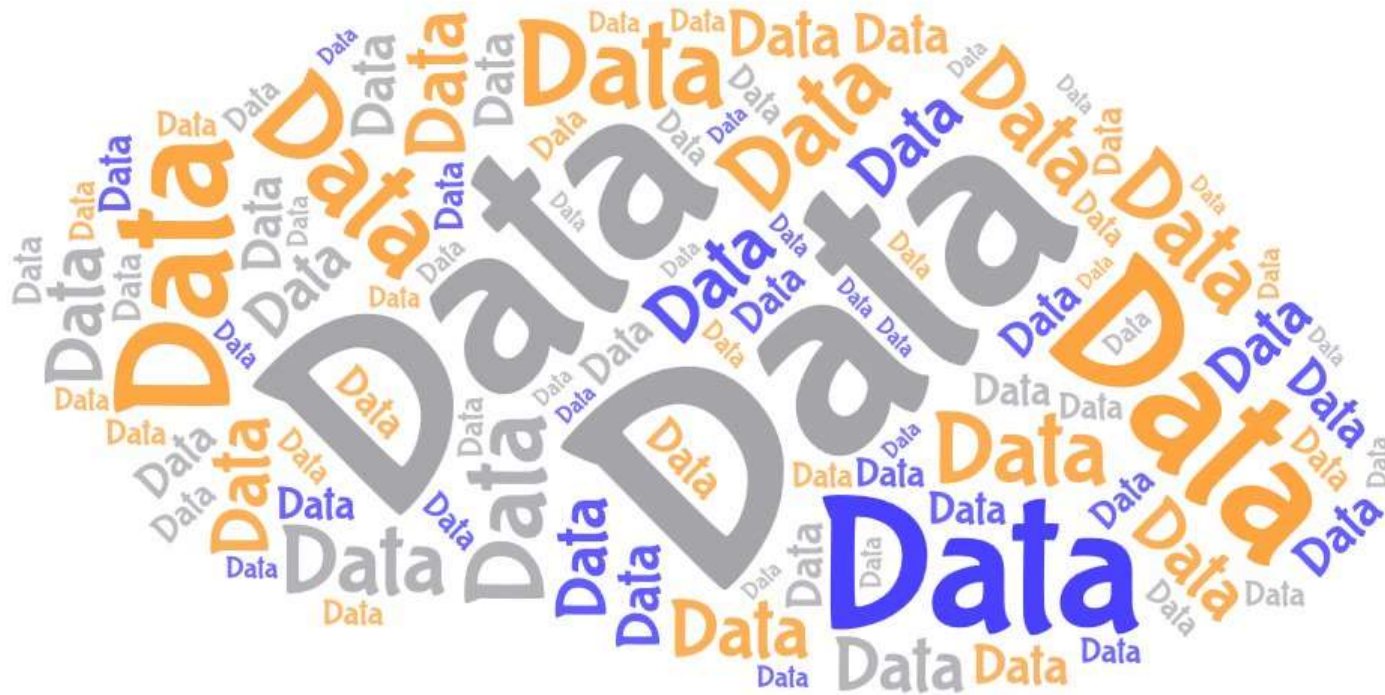

SHORT TERM GOALS

- Collect data on the number of missing Native American women
- Identify barriers
- Determine the scope of the problem
- Recommend solutions or resources to address the problem

WHAT HAVE WE LEARNED SO FAR?

- CHALLENGES:
 - No centralized resources
 - Lack of access to systems
 - Racial misclassification
- POSSIBLE SOLUTIONS
 - Create a toolkit(s) for families and law enforcement agencies
 - Community outreach within the tribes
 - Assign an advocate for the families
 - Training for law enforcement

WHAT WE STILL NEED

Jessie Dean, HCA Tribal Affairs Administrator

Lucilla Mendoza, HCA Tribal Behavioral Health Administrator

How Do We Start a Naloxone Program? *A step-by-step guide for tribes*

Many tribes are incorporating naloxone distribution into their comprehensive opioid response strategies. If your tribe wants to distribute naloxone to tribal police department, wellness clinic staff and/or to tribal members, this information sheet will help get you started.

Step 1:

Get basic facts about naloxone and overdose response on www.stopoverdose.org. You'll find factsheets, comparisons of different naloxone products, training materials, and other helpful resources.

DOH Updates

DOH Update

- ▶ DOH Support for Tribal Activities Supporting “T21”
- ▶ Wildfire Smoke Impact & Communication Workgroup
- ▶ Community Health Worker Task Force on developing implementation guidelines for the Education and Training Recommendations.
- ▶ Consultation on DOH Strategic Investments, 1/2/19, with presentation on 12/13/18 at AIHC meeting
- ▶ Tribal FPHS Technical Workgroup continues, following progress report made to AIHC Tribal-State Leaders’ Health Summit

**DOH ROUNDTABLE ON BEHAVIORAL HEALTH
PROVIDERS CERTIFICATION (MENTAL HEALTH
AND SUBSTANCE USE DISORDERS)**

Nathan Weed, Director
Office of Community Health Systems

Tribal Attestation RT #1 Q&A

1. Does the term “Behavioral Health Providers” for the purpose of this consultation mean facilities or health professions?
2. Is the “work” referred to in the letter the May 2018 Agreement from the Tribal Consultation on the Plan to Implement Behavioral Health Integration through House Bill 1388?

Tribal Attestation RT #1 Q&A

▶ 3.

- ▶ The consultation outcome is for an agreement about having a single process for facilities which provide mental health (MH) and substance use disorders(SUD) for deeming, attestation, licensure.
- ▶ Is there something more (or different) than attestation for both MH/SUD providers that is being requested?
- ▶ Are there any questions about qualifications for providers? Is the change working, i.e, now there are no qualifications requirements.
- ▶ How is the current deeming process for both providers and facilities working?

Tribal Attestation RT #1 Q&A

- ▶ 4. With regard to the RCW and the Indian Health Care Provider process for behavioral health – what needs to be addressed by the end of the year to “ensure property certification for IHCPs providing behavioral health?”

Tribal Attestation RT #1 Q&A

- ▶ Anything more we need to work on for the consultation?

NEXT CONSULTATION STEPS:

- ▶ **Pre-Consultation Informational Presentation: 12/13/18 at the AIHC delegates meeting in Sequim.** DOH staff will make a brief presentation regarding the issues and concerns around certification. Tribal delegates and program representatives will be invited to provide feedback.
- ▶ **Consultation on 1/2/19 via a DOH-hosted webinar.** Details will be provided at the 12/13/18 informational presentation.
